

Nesjaja - Avatar Records Label DeeJay, based in Berlin, Germany. As DJ he has been spinning the turntables since 1998. The first time the Chillout music range was subject of his passion. But after he has joined his first psytrance festival in 1999 he knew where his real musical home is located. For more than 10 years he provides the trance community with his psychedelic progressive or melodic full-on sound. He preferably presents the music of Chromanova.fm for which he has been standing behind the decks since 1999.
